

WALKIN' ON SUNSHINE

FOR GIRLS AGES 10-14

A Half-Day Workshop
for Middle Grade Girls
Who Are Saving the World

Transform Girl Power into Solar Power

Take your place on Pretty Brainy's team of girls putting their creativity and tech know-how into practice for climate action. Dig in to a lightning lesson on solar energy, and practice your STEAM skills by building a solar powered backpack that charges your phone. Bring your favorite old t-shirt to upcycle.

STEAM with a purpose

-  Build carbon-conscious tech to power your phone
-  Discover the power of renewable energy
-  Connect with girls like you
-  Learn from high school and collegiate mentors
-  Level up with the latest on digital citizenship

Saturday
September 21st
1-4 p.m.

 Harmony Library Community Room

Individuals: \$75
